Fixtures

Linea 100 and Linea 120 Touch

Linea 100 and Linea 100 Touch offer a functional design in stainless steel or touch-sensitive glass. The fixtures feature a dot matrix display with large, easily readable red LEDs and buttons that illuminate in red once a call is placed.

03	Landing operating panels
04	Name / information plate
05	Key switch

Note: Surface Mounting

Landing arrangements

Choose your optimal landing arrangements for simplex and multiplex installations, surface or wall mounting.

Handrails and mirrors

Perfect addition to complete your design

Handrails convey a feeling of security, while mirrors heighten the sense of space and depth in the elevator. Schindler handrails and mirrors can be configured to your individual needs to provide comfort to passengers throughout their journey.

Customize your handrails

The handrails can be mounted in different combinations, either only one handrail piece on the rear or side walls, two handrail pieces on the side walls or handrails on three walls.

Shapes and finishes:

Straight with curved ends

- 02 Stainless Steel Lucerne Brushed
- 03 Stainless Steel Montreux Mirror
