

Schindler 1000 and Schindler 3000 EU Elevator Design Catalogue

Schindler 1000

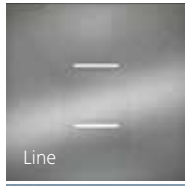

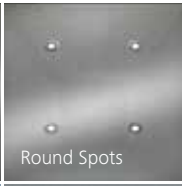

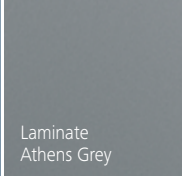

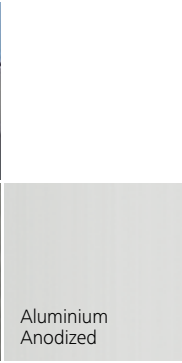

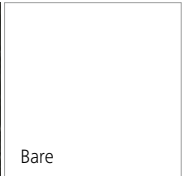

Functional and durable

Clarity and comfort in your car with this robust design line. Fresh colors, durable accessories, and several floor designs make these options an excellent choice for residential applications. Elegant stainless steel options are also available for rear and side walls.

Navona

		08	Horizontal car operating panel (EN:81-70)

Note: Surface Mounting

Landing arrangements

Choose your optimal landing arrangements for simplex and multiplex installations, surface or wall mounting.

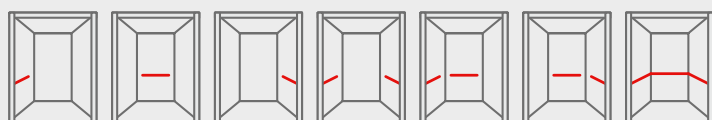

Handrails and mirrors

Perfect addition to complete your design

Handrails convey a feeling of security, while mirrors heighten the sense of space and depth in the elevator. Schindler handrails and mirrors can be configured to your individual needs to provide comfort to passengers throughout their journey.

Customize your handrails

The handrails can be mounted in different combinations, either only one handrail piece on the rear or side walls, two handrail pieces on the side walls or handrails on three walls.

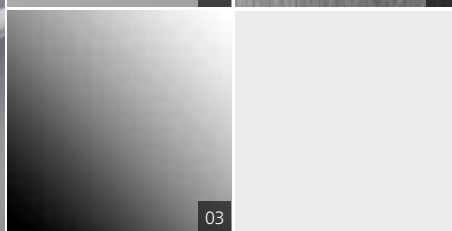

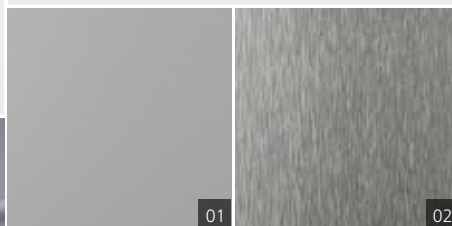

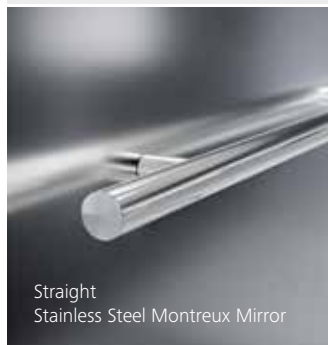

Shapes and finishes:

Straight

- 02 Stainless Steel Lucerne Brushed
- 03 Stainless Steel Montreux Mirror

Straight with curved ends & Curved

- 01 Painted White Aluminum
- 02 Stainless Steel Lucerne Brushed
- 03 Stainless Steel Montreux Mirror

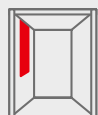

Select your mirrors

Full-height or half-height safety-glass mirrors can be installed on the side or rear wall of the car.

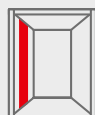

Side Wall
